

IT TAKES A VILLAGE:

THE TAWHEED PREP GRADUATION EXTRAVAGANZA 2010

As-Salaamu-Alaikum

Dear Brothers & Sisters

I pray that this letter finds you enjoying the choicest of Allah's blessings. I am writing to ask for your assistance. Three years ago we started an education effort unlike any in the Richmond area. We opened a secondary school that integrated religious knowledge and scientific knowledge as one continuous whole. We teach our students that all knowledge comes from Allah and that there can be no separation between what He reveals and what science uncovers. 2010 marks the end of our third year and a momentous occasion: June 13th we anticipate graduating our first senior class.

We are planning a formal banquet in honor of this event at the Holiday Inn, 2000 Staples Mill Road. Unlike traditional senior yearbooks, we intend to produce a 2010 TPS Journal in which student authors and photographers prepare articles that capture the highlights of this school year. In addition to student materials we are inviting local businesses to advertise with us. This is a unique opportunity to promote your enterprise. As students and their parents reminisce and review their articles and pictures in the journal, they will also re-read your advertisements within its pages. So your ad gains repeat exposure.

Please review the attached advertising form and consider placing an ad with us. Our deadline is April 23, therefore I must ask you to act promptly. If you have any questions or would like to visit our school, please do not hesitate to contact me. Thank you for taking time to read this letter.

Sincerely yours,

--
