

# Tawheed Prep School Scholarship Program

## **The Program**

In the name of Allah, the Beneficent, the Merciful. TPS has established a scholarship program to help finance the education of currently enrolled students. The program is managed by a committee appointed by the TPS Board.

## **Eligibility**

Applicants must be accepted by the school and enrolled in either the full time school or after school tutorial program. In addition, scholarship recipients are required to keep their portion of the tuition responsibility current. A thirty-day (30) delinquency in tuition payment will result in the immediate termination of the remaining portion of the annual scholarship award. Students who earn a grade lower than “C” in any subject will be ineligible for a second year scholarship. Families that are eligible for other tuition discounts (teaching, volunteering, etc) are ineligible for scholarship awards.

## **Scholarship Awards**

The number of awards will be based on the availability of funds. The maximum scholarship that can be awarded to a single student is one-third (1/3) of the annual tuition. The maximum scholarship for a multi-child family is one-half (1/2) of the total family tuition. Awards are not automatically renewed and must be applied for each year.

## **Application**

Students must complete the application and mail it along with the most recent report card and a three hundred fifty (350) word essay on the topic of “The importance of an Islamic education and its impact the community”. In addition, each family must submit a completed Family Financial Statement, along with 30 days of current pay stubs and the most recent W2 form. Applications are due by December 31, 2009. Recipients will be notified via mail in mid to late January 2010.

## **Recipient Selection**

Scholarship recipients are selected on the basis of financial need with the highest priority given to multi-child families. The required essay and academic achievement will be the second priority in the selection process. Scholarships will be awarded based on available funds; not all applicants will receive awards. The Scholarship Committee will review all applications and recommend to the TPS Board scholarship recipients and the amount of the award. Final approval will come from the Board in the form of a written notice to parents.

## **Payment of Awards**

Scholarship payments will be made directly to the school and credited to the student's account

## **Revision Policy**

The general conditions and procedures under which scholarships are made are subject to periodic review by the TPS Board, including termination of the program.
